## Rationing in Maputo

MAPUTO. — A new food and soft goods rationing system went into operation in

Maputo yesterday the official Mozambique news agency, AIM, reported.

Distribution of ration cards began this week and each household has a card with which to buy a total of 11 products, divided into four groups. The quotas fixed for this month are 1,5 kg of sugar, 3 kg of cereals, 500g of oil, marabarine and lard, and also 500g of cleansing products for each person. The quantity cach household can buy depends on the number of Deople in the house. The quotas of products will

be fixed every month according to availability and the quantity of goods in stock. -Sapa.
