

## **UNIVERSITY FEES UP 10 400%**

A government decision to increase tuition fees at Mozambique's university and colleges could seriously restrict access to higher education.

A decree, signed by Mozambique's Minister of Education and Deputy Minister of Finance, raised tuition fees from a symbolic 1 000 mt to 105 000 mt per term for each subject studied. Full time students on state scholarships are exempt, but all other students pay the new fees. (AIM/PANA)
