

**Mozambique: 13 die in attack on vehicle
convoy** (Text) A source from the Chief of Staff disclosed
that 13 people died and eight were injured during an attack
against vehicles carried out yesterday in the region of Pateque.
The bodies of the 13 victims, 10 of whom were men and three
women, were taken to the Maputo central hospital, while the
seriously injured survivors were evacuated to the [word
indistinct] Marracuene hospital where they are being treated.
Sources contacted by our correspondent say the 13 people
were criminally murdered as they travelled in eight civilian
vehicles toward Gaza province. (Maputo home service in
