

Mozambique: sabotage of Beira power pylons (*Text*) On Monday [11th July] the armed bandits sabotaged power lines to the city of Beira. The bandits knocked down three pylons near Inchope, in a region between Manica and Sofala provinces. The sabotage took place five days after the resumption of electricity supplies to the city of Beira, following another act of sabotage about a month ago. (*Maputo home service in Portuguese 1500 gmt 14 Jul 88*).
