

## Chissano tour

10-4-87

**NICOADALA** (Mozambique). — Mozambican President Cde Joaquim Chissano, on the second day of his visit to the central province of Zambezia, on Tuesday criticised those governments which suggest that Mozambique should negotiate with the South African-backed MNR bandits. He was speaking to thousands of people at a rally in Nicoadala 25 km south-west of the provincial capital, Quellimane. — Ziana-AIM-Psua.
