Mozambique: Chissano reportedly meets PAC leader (Tex) Harare, 22nd July: A delegation of the Pan-Africanist Congress of Azania, PAC, led by PAC President John Mlambo [Johnson Mlambo - PAC Chairman], held talks with senior Mozambican officials in Maputo recently in what is believed to be the first high-level official contact between PAC representatives and Mozambique. Thursday's edition of Zimbabwe's 'Herald' newspaper reports that the PAC delegation attended the SADCC summit in the Mozambican capital and was received by Joaquim Alberto Chissano, Chairman of the Frelimo Party and President of the People's Republic of Mozambique. The PAC delegation learned during its stay in Mozambique about the situation in Mozambique and the successes of the Mozambican armed forces in the struggle for the elimination of South African-backed MNR bandits. The South African liberation movement also supplied detailed information on the latest developments inside South Africa, as well as on its own political and military actions.
