

Mozambique: visit by S African Foreign Minister Pik Botha visited Maputo on 18th August for talks with President Chissano, the South African agency reported. In a statement, Botha said the discussions were to follow up the recent visit to Mozambique by himself and F.W. de Klerk. The talks covered inter-state co-operation in southern Africa and, in particular, ways to end the conflict in Mozambique. Radio Mozambique (Maputo) said that Pik Botha had briefed President Chissano on the recent resignation of P.W. Botha as President. 189
