[Text] Mozambican President Joaquim Chissano met with British Labour Party leader Neil Kinnock in Maputo this afternoon. A source close to the meeting said that the two leaders exchanged views on relations between the two countries and parties, and on southern African problems. The meeting was attended by Marcelino dos Santos, member of the Political Bureau and chairman of the People's Assembly, and Jose Luis Cabaco, assistant secretary for external relations of the Central Committee. 18 - 7 - 88
