[Text] Joaquim Chissano, president of the People's Republic of Mozambique, firmly hopes that the ongoing peace initiatives to peacefully resolve the differences between Chad and Libya will be successful, thus contributing toward peace on the African Continent.

This is contained in a message of congratulations that our country's head of state sent to Libyan leader Mu'ammar al-Qadhdhafi on the occasion of the 19th anniversary of the Great 1 September Revolution. In the message, Chissano expressed the desire to further strengthen the existing relations of friendship and cooperation binding the peoples of Mozambique and Libya.
