
President Chissano visits Manica district *(Excerpt)* .

President Joaquim Chissano today [20th April] urged all those practising terrorism in Mozambique to stop their activities in order to safeguard human lives. President Chissano was speaking in Xinavane, Manica district, after assessing the barbarous actions armed bandits have committed against the district HQ. Socio-economic infrastructures - namely factories, shops, houses and the local hospital - were destroyed. President Joaquim Chissano saluted the enthusiasm expressed by the residents, as well as their desire to fight against armed bandits and to increase production. . . *(Maputo home service in Portuguese 1730 gmt 20 Apr 89)*
