DAR ES SALAAM. - The US Air Force tried to obtain a copy of a film made in FRELIMO-controlled areas of Mozambique for showing at a counter-insurgency school in Florida. The Tanzanian government newspaper, the Daily News, said yesterday.

It said the film was shot in the Niassa Province of Mozambique in September 1971 by Mr Robert van Lie-rop, an Afro-American who was taken into the country by FRELIMO - the Mozambique Liberation Front.
