

IN BRIEF

~~MAKING~~

AED 5/6/87

● The government has invited prequalification tenders for the seven-year cashew rehabilitation project (CRP) in Nampula province, funded by loans of AfUA 9.6 million (\$12.3 million) from the African Development Bank (AfDB) and FUA 9.15 million (\$10.8 million) from the African Development Fund (ADF). Companies from AfDB and ADF participant states and member countries are invited to prequalify to supply agricultural equipment, including 180-hp bulldozers, 62-67-hp tractors and water pumps; a range of vehicles; steel plates, cast steel and other mechanical construction materials and components, and other equipment, including machine tools, air compressors and spare parts. Closing date for replies is 14 July (see TENDERS).
