[Text] More than 6,000 pupils are experiencing difficult conditions in Manjacaze District, Gaza Province, because of acts of destabilization carried out by the armed bandits. AIM reported that of the district's 85 teachers, the criminals had murdered 5 and kidnapped 6 others. The source added that the district began the new academic year with 85 primary schools and 1 secondary school, while 19 others were closed down because of security problems.
