SOCIMO (Sociedade Comercial e Industrial de Moçambique), an international trading company unofficially connected to Mozambique's Ministry of Security is to be dismantled. A commission headed by **Francisco Caravela**, former Assistant Secretary of State at the Ministry of Home Trade and the current director of SOCIMO, has just been set up to prepare the liquidation.

I.Q.N.- SOCIMO which has several representation offices in Europe was founded by **Jacinto Veloso** when he was Minister of Security. The name of the company was mentioned on a number of occasions during various SNASP (Mozambican Intelligence) operations in Europe.
