Explosive devices in Lourenco Marques (ME/5008/ii) Lourenco Marques radio on 16th September said more explosive devices had been found in crowded places in the city after the public had been alerted by the press and radio. The radio repeated the call for vigilance and said that anyone finding a suspicious object such as a pencil-kit, watch, battery or pen should not touch it but keep guard while someone else contacted the Ministry of Defence on telephone numbers 742040 or 744507.
