

Reports on the military situation in Mozambique and Angola* carried by appropriate sources included a Lisbon radio report on 20th July of a statement by MNR representative in Lisbon Jorge Correia to the Portuguese news agency that "a major fire continued to rage last night along the Beira-Zimbabwe pipeline, 75 km from Beira". The UNITA agency reported that a train from N'Dalatando to Luanda had been damaged and "Cubans and FAPLA passengers travelling in it killed" after a landmine exploded near Chissanga last week.
