

MNR bases overrun

SEP 20 1987

THE Minister of Home Affairs, Cde Enos Nkala, said yesterday Zimbabwe troops had overrun several MNR bases inside Mozambique on Friday killing hundreds of the South African-backed bandits, ZBC reported last night.

The ZBC quoted the minister making the statement when he addressed a mass Zanu (PF) rally at Magunje Growth Point, west of Karoi in Mashonaland West Province.

Cde Nkala, reiterated his warning last week that the Government would be tough with armed dissidents and their collaborators as part of a newly unveiled strategy to wipe out bandits operating in the Midlands and Matabeleland Provinces.
