

MNR abducts 20

^{1. 14. 11. 87}
ONE person was killed, two seriously injured and 20 others abducted yesterday morning when South African-backed MNR bandits attacked a Forestry Commission estate in the Cabel Valley north of the eastern border town of Chimanimani, a Mutare police spokesman confirmed yesterday.

The bandits looted food, clothes and implements before leaving the estate. The squatters on the estate were apparently not affected. — Ziana.
