

Mozambique: "bandits" damage Sofala air traffic
(Text) Damage caused by sabotage to TTA [National Air Transport and Service Enterprise] aircraft by armed bandits in Sofala province is estimated at more than 100,000 dollars. According to our correspondent in Beira, saboatge has resulted in a reduction in passengers, cargo and other air work in Sofala province. *(Maputo home service in Portuguese 0800 gmt 21 Jan 88)*
