MNR kill 13 civilians

MAPUTO — Thirteen people were killed when MNR bandits attacked a civilian convoy under military escort, the national news agency AIM reported yesterday.

MNR bandits opened fire on the eight-vehicle convoy on Tuesday when it was about 30 km north of here AIM said, citing an unidentified military source.

Several survivors in serious condition were taken to a hospital in Marracuene, about 20 km away, the news agency added.

AIM said all those killed were civilians.

The MNR frequently attack convoys in their hit-and-run raids on both military and civilian targets. — Ziana-AP.
