

33 bandits killed X

H. 83 05, 11

MAPUTO — Mozambican soldiers in Buzi, Sofala province, killed 33 MNR bandits last Friday, according to a source in the general staff yesterday. The source said that the clash occurred after a large group of bandits launched a pre-dawn raid against a village inhabited by former Frelimo guerilla fighters and their families. The bandits killed two women and four children. — Ziana-AIM.
