**Mozambique: NMR claims 130 killed by Zimbabwean air raids** (Text) The Renamo movement in Mozambique

claims that a Zimbabwean air force has killed about 130 people in recent raids over Western Mozambique. The statement, distributed by Renamo in Lisbon, said Soviet built MiG-21 and Mi-8 helicopters had bombed villages in Renamo held territory 21st-30th May. The statement said the attacks on villages in the Tete, Manica and Gaza provinces had been an attempt to force civilians to seek refuge in areas controlled by the Mozambican army.
