
Mozambique: government forces recapture MNR-held district (Excerpt) Rafael Maguni, Frelimo Party Political Bureau member and Manica Provincial Governor, this morning in Chimoio announced that the Mozambican armed forces had recaptured the northern Tambara district of Manica province. Tambara district had been occupied by the armed bandits for several years. Rafael Maguni was speaking at a popular rally in support of the decisions of the fifth congress. He said the recapture of Tambara was part of a vast party and government programme for peace and to eliminate violence in the country.

Manica Provincial Governor Rafael Maguni also said the Mozambican armed forces would intensify the struggle against banditry and the people would continue to undergo self-defence training as long as the armed bandits continued violence and failed to observe the Mozambican government's 12-point peace plan...
