## 15 die in massacre

MAPUTO. — Fifteen people were killed in Mozambique in an attack which the authorities say was carried out by Renamo.

The attack occurred in the village of Nuvunguela, 22km from Xai-Xai, the capital of Gaza province, on Saturday.

According to survivors, the attackers used knives, axes and clubs to kill their victims.

Witnesses said that after the massacre at Nuvunguela, the attackers moved on to the "Third February" communal village, where they killed two more people.
