
ZAMBIA—PORTUGAL

Statement on Mr. Chona's Visit

The Zambian Foreign Ministry denied on April 8th that five Portuguese captured by the Mozambique Revolutionary Committee (**COREMO**) had at any time been in Zambia. President Kaunda's personal representative, Mr. Mark Chona, had gone to Lisbon, not to negotiate over the five Portuguese but "to negotiate the release of Zambians kidnapped by the Portuguese". (R. Lusaka 8/4)
