

Maputo tightens Swazi border

Bus. Day
15/10/86

MBABANE — Mozambican authorities are reported to have drastically tightened security at the Swazi-Mozambique border post at Lomahasha.

Travellers said closing time at the gate had been changed from 8pm to 5pm.

All pedestrian traffic across the border had been virtually stopped.

Lomahasha residents said the new measures came into force after "a tremendous explosion" on the Mozambican side on October 4. — Sapa.
