

President Chissano promulgates law approving General Peace Accord (*Text*) On 14th October, President Joaquim Chissano promulgated and had published the Law approving the General Peace Accord signed between the government and the Mozambique National Resistance in Rome recently. The head of state also promulgated and had published the Law on Amnesty for Crime against State Security and Military Crimes, the law altering some provisions of Law No 7/91, the law repealing Decree Law No 29/75 and authorising the operation of private land surveyors; as well as the law connected with the restructuring of the state enterprise sector. President Joaquim Chissano promulgated and had published another law connected with the establishment of labour courts. (*Radio Mozambique, Maputo, in Portuguese 1730 gmt 15 oct 92*)
