THE League of Socialist Working Youth of Korea delegation left Harare yesterday after holding meetings with the Zanu (PF) secretary for youth, Cde Ernest Kadungure, and other Zanu (PF) Youth League officials.

The delegation led by the vice-chairman of the League of Socialist Working Youth of Korea, Cde Song Guk Li, also met the Deputy Minister of Youth, Sport and Culture, Cde Amos Midzi.

A joint communique which was read by the deputy secretary for youth, Cde Charles Ndlovu, following meetings on friendship and co-operation between the two parties reaffirmed solidarity between them.

The Zanu (PF) Youth League extended "full support and solidarity to the youth and people of Korea in their efforts to promote socialist construction and reunification

of Korea independently and peacefully", according to the statement.

It condemned American imperialists and their South Korean puppets for increasing tension in Korea and dividing the Korean people.

The Youth League also "received with pleasure" the Korean initiative to host the 13th International Youth and Students' Festival in Pyongyang in 1989.

The League of the Socialist Working Youth of Korea extended its support and solidarity to the Zanu (PF) Youth League in the struggle to build a new socialist society in Zimbabwe and thwarting South African aggression.

The two youth organisations also agreed to develop further relations and to co-operate along the intimate relations forged between the President of Zanu (PF), Cde Mugabe, and the DPRK leader, Cde Kim Il Sung.
