**Pik Botha asked Mozambique to expel six ANC members** The Minister of Foreign Affairs, Pik Botha, has confirmed that South Africa recently approached the Mozambican government on the presence of six ANC members in Maputo, Johannesburg radio reported on 7th January. In a statement in Pretoria, Botha emphasised the gravity of the situation to Mozambique and asked that these members be removed immediately. He said that although it was not a threat, the South African government would have no choice but to take steps if Mozambique did not respond to this request.
