

Ubsdell did not 'steal' Corolita

ON Wednesday February 19, Sapa reported that police were investigating charges against the skipper of the South African yacht Corolita, which escaped from Maputo harbour last month after being impounded by Mozambican authorities demanding payment of a fine.

In its report Sapa

referred to the craft having been "successfully stolen from Maputo harbour".

It was not intended to infer that the skipper, Mr Alan Ubsdell, was a thief.

Sapa retracts the word "stolen" and regrets any inconvenience which may have been caused to Mr Ubsdell. — Sapa.
