Dear Ms Waterhouse

As someone who has followed much of your work, particularly that on Southern African and Mozambican affairs, I thought you may be interested in some of the Mozambique Institute's work on the Mozambican issue. Much of the Mozambique Institute's work presents alternative perspectives on the roots and course of the the Mozambican conflict, which has been characterised as you will be aware by somewhat of a one-sided, and not always particularly accurate, information flow.

The Mozambique Institute is very supportive of the resultant process of democratisation within Mozambique, welcoming, for example, the **Resistencia Nacional Mocambicana's** decision to move from armed struggle to entering the political arena as Mozambique's democratic opposition.

We hope that you may find some of this material of interest and possible use. Please do not hesitate to contact us if we can be of any assistance.

Yours sincerely

DAVID HOILE
